### **1.6 Conclusion**

Basing on what was discussed, the following conclusions were made by all the members present online and physically;-

- We should go with the idea of saving money first and buy land.
- The land to be bought will have to be titled not Kabaka's land
- All members who save with the project will each get his/her share and according to their input.
- The initial deposit (nonrefundable) and considered as commitment fee is 50,000/= which will be used to run the work of the project including legal fees, registration etc and its accountability will be clearly shown to all members
- A sub Whatsapp group to be created for those who show interest in the project, this will be determined by the payment of the commitment fee
- A 3 joint bank account to be opened soon for all the payments to be banked there and the account will have 3 signatories
  1. Norman Mukasa
  2. Irene Nakasiita
  3. Winnie Komugisha
- Members will be updated monthly about the project progress
